Dear Mr. Weisburg:

I would like to call you for a 15-minute interview on my afternoon program between 3:00 and 4:00 p.m. EST.

In case this meets with your approval, I will suggest Monday, April 17 at 3:15 p.m. EST. I hope that I can use direct dialing to call you--this helps me keep a better schedule.

I suggest one topic might be any new information you have found that you have not included in your books.

Just in case you are in some other city at that time, I would still like to call you if the time fits your schedule.

Sincerely,

RADIO STATION WKBV
